Dear Friends:

On behalf of the Louisville-Robley Rex VAMC patients and staff, we would like to extend our appreciation to you for your donation of books. Your thoughtfulness reflects the concern that you feel for our Veterans and for the service they provided to all of us while in service to our country.

Without your support, we could not provide for the smaller niceties that make hospitalization more bearable. Your thoughtfulness also reflects the concern and compassion that our community feels for our Veterans.

Thank you for your continued support.

Sincerely,

To the Heinlein Society,

On behalf of all the Soldiers of Charlie Company, 2nd Battalion, 14th Infantry Regiment, thank you for the books you sent to us in Kandahar, Afghanistan. I can't tell you enough how inspiring it is to come in after a long day to such a thoughtful gesture of support from you and your organization. It reminds Soldiers that there are people back home who have not forgotten about us. Truly, it is Americans like you that make the hardship worth it.

The Soldiers of Charlie Company are in good spirits. We have a tough mission here, but most of the Soldiers are able to call their loved ones once a day and now that we've received some care packages, there is plenty to keep the Soldiers busy. We have received care packages full of books, snacks and toiletries, which go a long way ensuring Soldiers are comfortable.

From the bottom of my heart, thank you for the kind gift to our Company. I've included a picture of 3rd Platoon, the group of 24 Light Infantrymen I lead here. If you'd like, I'd be happy to send you more pictures and keep you updated on how the Soldiers here are doing.

Thank you!
