Dear Members:

On behalf of the Brockton Campus-VA Boston HCS patients and staff, we would like to extend our appreciation to you for your donation of Science Fiction Books for Veterans. Your thoughtfulness reflects the concern that you feel for our Veterans and for the service they provided to all of us while in service to our country.

Without your support, we could not provide for the smaller niceties that make hospitalization more bearable. Your thoughtfulness also reflects the concern and compassion that our community feels for our Veterans.

Thank you for your continued support.

Sincerely,

Dear Heinlein Society,

I write to express my sincerest thanks for the box of books we received at Camp Resolute Support yesterday. The books are on the "giveaway shelf," and the troops are already combing through them! I'm a Heinlein fan myself...even if he did go to Annapolis! 😊

You cannot imagine the morale boost such shipments give us here. In addition to American soldiers, sailors, airmen and Marines, we have multinational service members here representing Great Britain, Australia, the Netherlands, Germany, Italy, Poland, Georgia, and a host of other countries. Some of your books will help our non-English-speaking coalition partners build their English skills while battling loneliness.

Generous people like you continue to renew our faith in the American people; thank you for your service to our nation and our noble cause.

With best regards, (AND BEAT AIR FORCE!)

Dear John:

On behalf of the staff and veterans/patients at the Topeka campus of the Eastern Kansas Health Care System we want to thank you for the books you donated on May 1, 2015. We do indeed welcome your books and they are placed in our library located in a large recreation room. We are not aware of any preferred authors or genre.

Your donation was greatly appreciated and will help us to continue our mission in providing excellent care to veterans who seek treatment here.

It is only through support from our community that we are able to provide items that supplement our patient programs. Thank you for remembering our nation's heroes – our veterans.

Sincerely,
