This past year fully 80% of our outlay related to our “big three” programs—Scholarships, H4H, and Blood Drive support.

By most non-profit measurements we remain a very efficient organization. We have several key members that donate operating expenses each year which don’t show up on charts because of accounting rules.

**Next year**—you may see a reduction in reserves as we look to upgrade technology, potentially engage with some professional services, and rely less on those key volunteers donating key operational items directly.
