

THE HEINLEIN SOCIETY

Welcome

We'll begin shortly...

Is the name displayed in Zoom the same one you are known to THS by? It will make Roll Call easier.

You are not required to show video to participate but we hope you will show yourself at least from the Q&A portion of the meeting!

If you are “on the phone only” we will ask for you to announce yourself during the Roll Call a little later...of course, you're not seeing this slide, are you? ;)

Treasurer's Report (cont.)

This past year, *most of our outlay* related to our two “big three” programs—*Scholarships* and *Heinlein for Heroes*, with *Blood Drive* support starting to come back after Covid-19. Most of our income comes from *Membership Dues* and *Donations*.

We spend your money where it counts!

By most non-profit measurements we remain a very efficient organization. We have several key members that donate operating expenses each year which don't show up on charts because of accounting rules.

More detailed transaction reporting or the complete "budget vs. actual report" available by emailing treasurer@heinleinsociety.org

Kondo

Secretary

- Boxed and Shipped donations from the Baltimore SF Society intended for the Heinlein for Heroes program.

President

- Grateful to our key volunteers who made the successes you will hear about from the last year possible!
- Represented THS at the Prometheus Award Ceremony when *Citizen of the Galaxy* was inducted into the Libertarian Futurist Society's Hall of Fame.
- Made the Heinlein Prize Trust aware of several works not available as ebook and they are now working on publishing those.
- Lobbied for heinleinarchives.net to be restored to working order.
- We can always use those with Project Management skills—you don't need to be on the board or running a committee!
